

Our Lady of Fatima

Code of Behaviour

This policy was formulated by all members of staff and is revised and updated each year. It was necessary to devise such a document since it was identified as a priority area in our school life.

Aims

Our primary aim is to make the school a safe and happy environment in which teachers and students can work together in peace.

- To provide guidance for pupils, teachers, and parents on behavioural expectations, helping them understand the systems and procedures that form part of the Code of Behaviour and to seek their co-operation in the application of these procedures.
- To develop pupils' self-esteem and to promote positive behaviour.
- To enhance the learning environment where students can make progress in all aspects of their development by fostering a sense of responsibility and self-discipline in them based on respect, consideration, and tolerance of others.
- To enable teachers to teach without disruption.
- To promote positive behaviour and self-discipline recognising the differences between students and the need to accommodate these differences.
- To ensure the safety and wellbeing of all members of the school community so school can operate in an orderly and harmonious way.
- To ensure that the system of rules, rewards, and sanctions are implemented in a fair and consistent manner.

Behaviour

1. Each student shall always respect, obey and co-operate with the class teacher or other persons in charge - in all school activities so that he/she will in no way hinder the progress of others.
2. Bullying in any form is considered a serious offence and will not be tolerated. (Refer to Bí Cineálta and Behaviour Management Policy)
3. Inappropriate contact is strictly forbidden.

Health and Safety

1. It is forbidden by law to smoke in the school premises or grounds. Students may not bring cigarettes, lighters, vapes, matches etc., into school.
2. The use / possession of alcohol/cigarettes/Vapes and/or illegal substances is forbidden.
3. Students must be always conscious of the safety of other students (e.g., no pushing, hitting, rough behaviour etc.,)
4. In the event of the necessity for a child to be exited from a class, or from an out of class activity due to challenging behaviour, the child may be removed gently by classroom staff, keeping in mind, always, the health and safety of the child.

Healthy Eating

1. Since the health of our students is one of our primary concerns, students are encouraged to have healthy lunches.
2. Chewing gum, crisps, fizzy drinks, sweets, and chocolates are not allowed. Except on Friday, students may have some chocolate as a treat.
3. Students are encouraged to bring in healthy alternatives e.g., fruit & nuts.

Phones, Music equipment etc

1. Students are permitted to bring Mobile Phones into School.

However, adherence to the following is necessary:

- Phones must be turned off before entering the school premises
- Phones **MUST** be handed up to their class teacher at the beginning of the school day. These will be stored in a safe place.

- Phones not handed in and found will be confiscated for two weeks. In the event of emergencies students will have access to the school phone.
2. Any personal equipment is brought in at parents' discretion and may only be used outside of class time. It's safe keeping is the responsibility of the owner.

Personal and School Property

1. Students are responsible for their own property and belongings and bring them to school at their own risk.
2. Students shall show respect for property whether it belongs to school, adults, teachers, or other students.
3. Cars parked in the school grounds cannot be interfered with.

Observe the following as routine

1. Students should arrive clean and neatly dressed in uniform for school. Parents of students incorrectly dressed or shod will be informed at once and given an option to rectify the situation or collect their son/daughter should this continue.
2. A minimal amount of makeup is allowed, jewellery to be kept to a minimum. No protruding piercings. All jewellery must be removed or covered during sports.
3. Students, **by law** must bring a note of explanation following absences. This can be completed by parent/guardian via Aladdin.
4. A note should also be furnished to the school if a student is not going home on regular transport or seeking permission to leave school alone (Senior Students Only).
5. Students are expected to complete their homework carefully and to the best of their ability.
6. This is our school and general tidiness makes it easier to work and study here. Students must keep the school and school grounds tidy and litter free.
7. Students are expected to take care of books and have a pencil, pen, rubber, ruler etc., (according to their class stationary list)
8. Swimming is a compulsory part of the school curriculum. Students are expected to go swimming during one of the school terms (a block of lessons/ 1 term). Students need their own swimming suit/togs, hat, towel, and shampoo.
9. For their own safety, students should have runners/official school sportswear on P.E. days, since this is again a compulsory part of the curriculum.
